

FINANCE MANAGEMENT CONSULTANT

SAE & Associates | Based In New York City Metropolitan Area • Remote

SAE is seeking a finance management consultant who has finance/budget experience in healthcare, preferably behavioral health in non-profit settings.

QUALIFICATIONS

- Analysis of a variety of financial information (e.g. revenues, expenditures, cost projections, insurance, etc.) for the purpose of providing direction and support, making recommendations, maximizing use of funds, and/or ensuring overall operations are within budget.
- Collaboration with internal and external personnel (e.g. other administrators, auditors, public agencies, public officials, etc.) for the purpose of implementing and/or maintaining services and programs.
- Improvements of financial status by analyzing results; monitoring variances; identifying trends; recommending actions to management.
- Clear and effective presentation of financial analysis to key stakeholders including other operations staff.
- Knowledge of health care billing and policies affecting behavioral health provider revenue.

Qualified candidates should be comfortable drafting financial analyses and presenting results to a variety of staff, including senior management and individuals who may not feel comfortable with financial analyses.

How to apply:

Please email your resume and cover letter stating your qualifications and interest in this consulting opportunity to info@saeassociates.com with "Finance Management Consultant" in the subject line.

We will respond only to those with the requisite experience as stated above and who we are interested in meeting. No phone calls, please.

Thank you, SAE & Associates
