

INDEPENDENT EVALUATION CONSULTANT

SAE & Associates | Based In New York City Metropolitan Area • Remote

SAE & Associates is an innovative consulting firm seeking independent evaluators with extensive experience in conducting program specific and/or organization wide evaluation projects, and analyzing quantitative and qualitative data.

THE IDEAL CANDIDATE WILL:

- Serve as a program evaluator on federally funded behavioral health and social service programs;
- Establish and implement evaluation projects that identify underlying problems, and correct those inefficiencies in agency services;
- Work with nonprofit organizations and government entities to develop and analyze data that answer the question: “Who does what to whom to what effect and ultimately at what cost?”
- Assist in developing innovative, effective approaches that support that integration of behavioral health and primary care.

QUALIFICATIONS

- A proven track record with a minimum of four years of experience in program evaluation;
- PhD or Master’s degree in psychology, social work, sociology or other human services field;
- Knowledge of quantitative and qualitative evaluation methods;
- Strong written and oral communication skills;
- Knowledge of SPSS;
- Highly organized and detail oriented;
- Project oversight experience, including experience with SAMHSA FOAs;
- Knowledge of Medicaid transformation and behavioral health managed care;
- Knowledge of Spanish (preferred);
- Experience in marketing the value of evaluation as a tool for agency growth (preferred)

Consultants will work part-time on a project-by-project basis. Consulting assignments and fees are commensurate with experience.

How to Apply: Send your resume and cover letter to info@saeassociates.com, using ‘Evaluation Consultant’ as your subject line. We will only respond to short-listed candidates. No calls please. Thank you, SAE & Associates
